

Mission Statement

The mission of the *Coshocton Pickleball Club* CPC is to grow the game of Pickleball for all ages, levels and abilities by creating and cultivating an environment that promotes health, social interaction, good sportsmanship and fun by providing continuing skill and mentoring programs to enhance organized recreational and competitive play.

Objectives:

1. To manage and organize play to meet the needs of the different skill levels of club participants.
2. To provide opportunities for all of its members to learn and improve their play by offering skills and drills training sessions and clinics.
3. To provide opportunities for all of its members to participate in open play & competitive court time, competitive tournaments and social events.
4. To locate and secure appropriate court facilities for scheduling member play time and events.
5. To provide a welcoming environment and support the general advancement of the sport of pickleball in Coshocton County by organizing and offering lessons and training sessions for non-member players and/or beginners.
6. To interact and negotiate with and advise municipalities and sports facilities that operate pickleball courts used by CPC members.
7. To provide a unified voice in promoting pickleball play in the area.
8. To promote sportsmanship and camaraderie through fun and exercise

Long Term Vision: To solicit money and resources from the community to attract pickleball players from outside our community, to support local businesses through grants or other means, to achieve goals such as, additional dedicated pickleball courts; lighted courts, local/regional/national tournaments, etc...
