Parent/Player Guidelines:

Please review the below guidelines and sign the bottom of the letter stating that you as a parent and your player will abide by the guidelines put forth by the Ohio Governor's Office and Kids America Inc to participate in the contact sport of Flag Football.

- Masks must be worn by players and coaches on the side lines when not actively playing, practicing, or coaching
- Parents must stay at the practice/game site the entire time a player is participating in the activity
- Players must wear gloves during games to limit skin to skin or skin to equipment contact
- Parents must check in with the coach every practice/game and check their player in on the sign in document
- Spectators must social-distance at practices/games and while on the Kids America property for any reason
- Indoor spectators must wear masks and all guests 10 years and older must wear a mask inside Kids America until they reach their designated playing/exercising/eating area and are participating in their activity
- Players must bring their own water bottle as water fountains are shut down (a bottle filler is available inside Kids America)

Kids America Guidelines:

- 5 & 6 year old flag football will only be allowed to participate in clinics when offered until further notice
- Coaches will check in all players at practices/games
- Equipment will be sanitized between practices/games by coaches and/or KA staff
